To find your version of macOS select the apple logo and About This Mac.

The version is located under the main title in the overview tab.

	macOS Catalina Version 10.15.7
	MacBook Pro (15-inch, 2019)
	Processor 2.4 GHz 8-Core Intel Core i9
	Memory 16 GB 2400 MHz DDR4
	Graphics Intel UHD Graphics 630 1536 MB
	Serial Number
	System Report Software Update

The file will download into the Downloads folder. Select the Driver folder.

## Then select A4

Open and walk through the prompts.

This should be what the final screen looks like.

After you successfully add the print driver go to System Preferences. Select Printers and Scanners.

Select the + button
